Subject: Future Mining Disturbance

Hi Paul,

Here is some of the acreages from the next 3 years of disturbances. The future Projected 3 year disturbance is:
Future Projected
Disturbances

Year	Acreage
2007	50.6
2008	51.3
2009	54.2

In 2007 this is spread out over the four pits. In 2008 and 2009 new mining disturbance is projected for 3 of the pits.

I will send off a copy of the map to your attention as you had requested.
